

THE SCHOOL DISTRICT OF PHILADELPHIA

John Bartram High School School-Parent Compact

School Year 2021-2022

Revision Date:

05/05/2021

Dear Parent/Guardian,

JOINTLY DEVELOPED

The parents, students, and staff of John Bartram High School partnered together to develop this school-parent compact for achievement of the students at John Bartram High School. Teachers, staff and administration together suggested home learning strategies for students, parents added input about the types of support they would need in order to assist their children and students spoke about what they would need to help them learn effectively. Parents are encouraged to attend the annual revision meeting held each year in the Spring to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the School Family Engagement survey that is also used as a tool to collect parent feedback regarding the current Title I programs, policies and family engagement. This survey is available on our website at www.philasd.org/bartram or in the school's main office.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.

The Board of Education's updated Goals and Guardrails are available on the School District Website at www.philasd.org.
