

Greetings Students & Parents,

Philadelphia continues to see an influx of unaccompanied minors within City Center. Unfortunately, in many cases, this has resulted in negative activity in and around Fashion District Philadelphia. This has led us to revise our current **Youth Supervision Program**.

Currently, our Code Of Conduct requires visitors under the age of 18 to be accompanied by an adult 25 or older, after 5pm on Friday and through the end of the weekend. With the full support of the City of Philadelphia Police Department, beginning April 17 we will be implementing a revision to our Code of Conduct, requiring visitors **under the age of 18 to be accompanied by a parent or supervising adult (23 or older) when they visit the center after 2 p.m. daily** until further notice. If you are under the age of 18 and want to remain in the center for shopping, dining, or entertainment, you will need to have a person 23 or older with you. If you are merely using mass transportation to go elsewhere in the city, you will be able to do so.

Fashion District welcomes mall employees under the age of 18. Employees who are under the age of 18 and showing up for work past 2pm will be asked to show identification stating where they are employed. This will not affect their ability to work at the center during these hours.

It needs to be noted that anyone at any time after 2pm daily that appears to be younger than the age of 18 may be approached by security or law enforcement for proof of age.

Fashion District, along with its retailers, offers programming tailored for the entire family. We welcome you to explore the center together, taking in all the entertainment, shopping, and experiences along the way.
